

# ENVIRONMENT

## **Regional Environmental Network for Accession**

The overall objective of this Project is to enhance regional cooperation in Western Balkans and Turkey in the field of environment within the prospect of accession to the European Union. The Project also intends to assist the European Commission in the establishment of the Secretariat of the Regional Environmental Network for Accession.

## **Technical Assistance for Enhancement of Administrative Capacity of DGCA on Emission Trading System**

Global objective of this Project is to support Turkey's effort towards accession and facilitate the pace of legal alignment and its implementation via institutional capacity building in air transport sector.
